Guests:	11

Perched on a hill in the most sought-after area of Mykonos, with uncanny views of Psarou Beach across the sea, Psarou Black Villa is a design sensation worthy of an international jetsetter. Modernist in structure, but with a strong Cycladic heart, Psarou Black is a stunning contemporary home imbued with a soulful bohemian character, standing nearly at the edge of the land, at times seeming to merge into the sea itself. Parties, champagne corks popping and private yachts parading before your eyes. If you love nothing more than a touch of glam and indulgent luxury, then look no further than this one-of-a-kind summer lair for up to 10 lucky guests.

The gleaming infinity pool is the star of the show here, effortlessly blending in with the sea and demanding to be Instagrammed. Imagine waking to the sound of rolling waves and taking a refreshing plunge with the most enviable view, while our chef prepares breakfast for you to be served on the outdoor dining area that sits 14 guests. Spend an hour or two catching the generous Greek sun on your in-water loungers and after an evening at Nammos or Scorpios, come back for a pre-night-out siesta or a last swim in the pool, before you get back in the villa to get ready for a dance-your-shoes-off night around the island's cosmopolitan bars.

Dressed in black and white – and black and white only, Psarou Black's common living areas are designed to create an easy flow between the interior and the exterior, with enormous windows overlooking Psarou Beach and French doors opening to the pool terrace. An expertly equipped

kitchen leads to the living room and the dining area, that enjoys the same impeccable sea view and offers a large wooden table for 10. The 5 bedrooms are a luxury dream come true, all featuring king size beds and ensuite bathrooms, while 4 of them have access to private balconies for your just-the-two-of-us moments in the sun or under the starry sky.

Let our concierge undertake the duty of your lifestyle management. She will book clubs and famous venues for you and handle every last-minute request. Get ready to be part of a unique lifestyle and experience the most personalized holidays you have ever dreamt of. As you can tell, booking a luxury villa in Mykonos is just the tip of the vacation iceberg we call Cyclades.

Psarou Beach is only 10 minutes by car from your luxury Mykonos villa and it should definitely be on your bucket list. If you prefer walking to the beach, there is a private path you can take from the villa. You'll be there in under 4 minutes! Its powdery sands and turquoise waters are visited by thousands of tourists and celebrities every year to enjoy high-end services. Champagne flows effortlessly and fireworks illuminate the sky whenever Nammos throws a party. Not to be missed!
